

*Moving Into Stillness:  
A Day of Sitting & Walking Meditation*

*A Monthly Zoom Online Virtual Meditation  
Practice Facilitated by Lhasha Tizer, Community  
Dharma Leader*

Desert Insight Meditation invites you to join us, once a month, for a nourishing day of sitting and walking meditation in noble silence. Ideal for all levels; for beginners this is a wonderful opportunity to taste the benefits of retreat-style practice, and for more experienced practitioners a way to enhance, broaden, and deepen their practice.

*"When you plant seeds in the garden, you don't dig them up every day to see if they have sprouted yet. You simply water them and clear away the weeds; you know that the seeds will grow in time. Similarly, just do your daily practice and cultivate a kind heart. Abandon impatience and instead be content creating the causes for goodness; the results will come when they're ready." — Bhikshuni Thubten Chodron, "Meditator's Toolbox"*
